Anniversaries

Since publishing society anniversaries in the ECHO many years ago I have been acutely aware of the fact that I just don't get everyone.

Because I believe in honoring the years of marriage that we all continue to accumulate, I will continue to publish anniversaries knowing some people may be missed.

But you can help! If I don't have your anniversary or miss your anniversary, please let me know. I can then add it to my data base and I can also insert apologies in the next Echo.

I have also been publishing the anniversaries of those couples who straddle the natural and the spiritual world. If you would like me to do that, I will include your anniversary with the deceased spouse's name in parentheses.

Apologies for June...

~ June 15th ~ Derek & Hanna Hyatt ~ 1 yr.

~ June 25th ~ Brian & Janine Smith ~ 10 yrs.
