Tuition may also be paid by check submitted to the school secretary or credit card withdrawals processed through the e-giving website<sup>4</sup>.

<sup>1</sup> Tuition does not include: aftercare, uniforms, some school supplies, school lunches, some field trips and special events, rental of some textbooks.

<sup>2</sup> Applies when the student and at least one parent are baptized into the faith of the New Church.

<sup>3</sup> This offsets the costs of art and science supplies and additional teaching staff.

## ***BILLING AND NON-PAYMENT POLICIES***

- 1. Prorated Tuition:** In the event that a student is enrolled less than a full year, tuition will be charged by multiplying the number of calendar months in which the student is enrolled by 1/9th of the annual tuition charge. Additional adjustments to tuition will be considered on a case-by-case basis. All accounts *must* be settled before any records will be released in the case of a transfer to another school.
- 2. Monthly Reminders:** When an APP has been approved, the treasurer will send monthly email reminders showing the status of payments against that plan. Failure of the treasurer to send a reminder does not excuse any required payment.
- 3. Arrears:** If tuition payments are in arrears compared to APP, academic records will not be released or disclosed to any person or entity until payments once against meet an agreed upon payment schedule. Such "academic records" include, but are not limited to, report cards, transcripts, electronic grade reports (Engrade), diplomas, and parent/teacher conferences.
  - a. Non-payment of tuition by more than a month compared to the approved APP may lead to notice followed by expulsion from the *current* school year.
  - b. Non-payment of tuition for a student at the end of the current school year disqualifies the student for re-admission for the following school year.
